## Appendix A – Penalty Laws (re-Rule 7)

The following 5 run penalty for unfair play as defined in Law 18 shall **not** be implemented -

5 (b)(i) Deliberate short runs

The following 5 run penalties for unfair play as defined in Law 42 shall **not** be implemented -

3 (d)(iii) & 3 (e)(i) The Match ball – changing its condition

4 (b)(i) Deliberate attempt to distract striker

5 (b)(iv) Deliberate distraction or obstruction of batsman

9 (b)(i) Time wasting by the fielding side

10 (b)(i) Batsman wasting time

13 (b)(i) Fielder damaging the pitch

14 (c)(ii) Batsman damaging the pitch

16 (iii) Batsman stealing a run

The following disallowance of runs for unfair play as defined in Law 18 & Law 42 shall **not** be implemented -

5 (a)(iii) Deliberate short runs

14 (b)(ii) & 14 (c)(i) Batsman damaging the pitch

**Please note. The following 5 run penalties shall be implemented -**

Law 2-6 Player returning without permission

Law 41-2 Fielding the ball

Law 41-3 Protective helmets

The Executive Committee fully support The Laws of Cricket (2000 Code) and we fully support the discouragement of **Unfair play** as is intended by the revised Laws.

However we feel that to implement both Law 18 and Law 42 in full would cause problems to unqualified Umpires (who staff the majority if not all of our matches).

However it is only the **5 run penalties** relating to these laws that we are not implementing and we would therefore ask that all Umpires warn the players if they consider **Unfair play** to be taking place, and if it continues to report the matter to the Section Committee (7d).

## **Appendix B – ECB Fast Bowling Match Directives - Issued October 2009.**

AGE:	MAX. Overs per spell	MAX. Overs per day
Up to 13	5	10
U14, U15	6	12
U16, U17	7	18

For the purpose of these Directives a fast bowler is defined as a bowler to whom a wicket keeper in the same age group would in normal circumstances stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his\* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end.

If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

For guidance it is recommended that in any 7 day period a fast bowler should not bowl more than 4 days in that period and for a maximum of 2 days in a row Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

**\*Any reference to he/his should be interpreted to include she/her.**

### **Code of Conduct**

- 4.** Players and Team Officials shall not intimidate, assault or attempt to intimidate or assault an Umpire, another Player or a Spectator.
- 5.** Players and Team Officials shall not use crude and/or abusive language (known as "sledging") nor make offensive gestures or hand signals nor deliberately distract an opponent.
- 6.** Players and Team Officials shall neither make racially abusive comments nor indulge in racially abusive actions against fellow players, officials, members or supporters.
- 7.** Clubs must take adequate steps to ensure the good behaviour of their members and supporters towards players and Umpires.

## **Spirit of Cricket**

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action that is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the Captains.

**1.** There are two Laws that place the responsibility for the team's conduct firmly on the Captain.

### **Responsibility of Captains**

The Captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

### **Player's Conduct**

In the event of any Player failing to comply with the instructions of an Umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the Umpire concerned shall in the first place report the matter to the other Umpire and to the Player's Captain, requesting the latter to take action.

### **2. Fair and Unfair Play**

According to the Laws the Umpires are the sole judges of fair and unfair play. The Umpires may intervene at any time, and it is the responsibility of the Captain to take action where required.

### **3. The Umpires are authorised to intervene in cases of:**

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

### **4. The Spirit of the Game involves RESPECT for:**

- Your opponents
- Your own Captain and team
- The role of the Umpires
- The game's traditional values

### **5. It is against the Spirit of the Game:**

- To dispute an Umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or Umpire
- To indulge in cheating or any sharp practice, for instance

- a) appeal knowing the batsman is not out
- b) advance towards an Umpire in an aggressive manner when appealing
- c) seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

## **6. Violence**

There is no place for any act of violence on the field of play.

## **7. Players**

Captains and Umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.
